

Trainer Agreement Information

Thank you for your support of the Safeguarding Ministry

Dear Trainer,

Thank you for being a part of EDOT's commitment to establish and nurture a culture of health, safety and mutual care in our churches, schools and organizations. Your dedication to informing and preparing all who work and serve in these communities is invaluable and deeply appreciated.

Reminders for you:

- To maintain your status as a trainer, each year you must complete and sign the current year Trainer Agreement, due in the Safeguarding Office each February. The Head of your Church, School or Organization must also sign the agreement.
- **If you indicate on the agreement that you are a trainer for more than one EDOT entity, please remember that you must have signatures from the Head of both locations.**
- To ensure consistent practices, current year trainer packet and policies are posted online at epicenter.org/safeguarding-trainers-corner. Please print the materials you use directly from the website before each training.
- To “refresh” your training skills, you are urged to participate in one (annually) of the quarterly **Trainer Talks**, offered online by the Safeguarding staff to facilitate the sharing of information and experiences. You are expected to read the Safeguarding Connection, the blog post e-mailed to you several times a year.
- If you choose to discontinue your work as a trainer, you are requested to contact the Safeguarding Office so that we can maintain current information.

Thank you again for your participation in all of our efforts to live into our baptismal promise to respect the dignity of every human being.

Sincerely,

The Rev. Lisa Hines
Canon for Wellness and Care

Please complete and return the attached agreement to the Safeguarding Office.
