Ministry Position opening
Community Life and Discipleship

Mission Statement: With respect, acceptance, and radical hospitality, the Community Life and Discipleship Ministry forms disciples of Jesus and gathers together the generations.

Minister for Community Life and Discipleship

This person has oversight for the programs which develop the faith formation of children, youth, adults, and seniors. To oversee the online faith formation, the children's groups and youth ministry. They also act as a resource for adult and senior discipleship and formation ministries. Additionally, they work with a team to design, facilitate, and evaluate events which intentionally gather together the generations.

- ☐ The minister for Community Life and discipleship must be able to think and act based upon a systems approach to intergenerational activities and faith development.
- ☐ This person must be able to recruit, train, and oversee lay leaders, especially in the area of children and youth communities.
- ☐ This person needs to have some working knowledge of social media and web page updates (or teachable).
- ☐ The position requires the ability to organize and carrying out a wide variety of parish activities and formation events.
- ☐ While ordination is not required, theological training of some type is. Ordination is a plus.
